Approach OUR PROCESS

We'll go over your goals, styles you like, and the functionality your project needs.

Here we will take everything we learned during Planning and create the visuals

After we have the look of the project we will need to code it. This will be about getting all the functionality in place.

We'll set your project up for long-term sucess by giving you the tools you need to manage your site.

Notre Histoire

Les bébés ont ce partum spécial, un partum naturel aussi pur que leur innocence. *Parfum de Vanille* c'est cette odeur divine qu'ont les enfants c'est cette belle chanson de Francois Feldman qui me ramène à mon enfance, sur laquelle nous dansions ma sœur et moi durant les fêtes de fin d'année au Lurée

Nos enfants parfument notre vie comme la Vanille parfume nos gâteaux Ils ne sont que ces fleurs de Vanille qu'emportera un jour un cerf volant vers le haut pour répandre leur joli parfum sur le chemin de la vie.

Notre mission:

Donner à l'Enfant Amour et Education pour qu'il se développe de façon heureuse et épanouie.

Notre Recette:

Un Mélange de tendresse, de patience et d'enthousiasme.
